Work Experience

Telemondo / Head, UI/UX Design

Davao City, PH / February 2024 - Present

Spearheading 3 client projects for B2B and B2C companies. I constantly collaborate with designers and developers to achieve user-friendly and feasible output through discussions and workshops. Also, I mentor 4 design interns to help them reach their career goals.

Tactiv / UI/UX Designer

Davao City, PH / November 2022 - January 2024

Helped B2B and B2C companies achieve their business goals by building quality wireframes and complex prototypes. Moreover, I had the opportunity to manage 2 client projects focusing on financial services and education.

Tactiv / UI/UX Intern

Davao City, PH / February 2022 - March 2022

Conducted UX research, designed wireframes, and illustrated logos for 2 internal projects with 4 UI/UX interns. I was also assigned as a leader during the internship.

Self-Employed / Freelance Illustrator

Davao City, PH / March 2021 - June 2021

Contracted by Canva to create science illustrations for all Canva users to utilize. The illustrations can be viewed in Canva by entering the following under the Elements search bar: set:nAEaNgGgois.

Projects

Milk Tea App / Read more at abbydb.com

Wireframed and prototyped a mobile solution that may reduce the pain points of milk tea cafe customers. By the end of the study, 5 out of 5 participants were satisfied with the current design.
